**Evansville Catholic Diocesan Schools
Life Skills /Resource Program Classroom Grant**

The Special Education/Resource Program Grants for Diocesan schools are offered by Marian Educational Outreach (M.E.O.).

Level I grants: (\$1,000) or less (Single Resource Program or Life Skills project)

Level II grants: (\$4,000) or more than \$1,000 (Collaboration of Resource/Life Skills Programs Project in 2 or more schools' **or** Collaboration of General and Special Education Teachers' project in one school.

Each school may submit a limit of (1) Level II and/or (2) Level I grant applications.

The primary objectives of these grants are providing innovative/collaborative activities for all students who are enrolled in Diocesan schools and to give teachers financial flexibility to implement creative special educational projects for those students who learn differently.

Marian Educational Outreach encourages the following:

- Projects that provide pedagogical/assistive technology training for teachers
- Projects that fund a Special Education Resource Center for teachers
- Projects that reflect collaboration between general and special education teachers
- Projects that have long-term educational benefits
- Projects that promote Catholic values

Electronic applications must be received at bwilliamson@evdio.org by 5 p.m. on proposal submission deadline. If you do not receive confirmation that application was received, please contact Beverly Williamson at (812)-402-6700, Ex. 2. Cover page signed by principal (s) and teacher (s) can be scanned and emailed with application.

Note: Application and Cover Page must be emailed to: bwilliamson@evdio.org

Please attach a typewritten narrative (12-point font, up to 2 pages) addressing the following questions. Place narrative in numerical order and label each response. *Example: 1) Summary of Project.*

- 1) Write a 30-50 word summary of the project and the educational needs the Project will address.
- 2) Describe the project in detail. For Level II grants include specific collaboration methods.
- 3) Define projected outcomes and how they will be measured. Ex. pre and post assessment. Specify assessment tools that will be used to evaluate progress of outcomes.
- 4) Describe specific timetable for project within grant calendar cycle.
- 5) Provide line-item budget. Describe how grant dollars will be used. Include items and services budgeted for the project.
- 6) If project receives partial funding, could project be implemented?
- 7) If project has been previously funded, please explain success to date and justification for further funding.
- 8) How will Marian Educational Outreach be recognized for supporting your Life Skills/Resource Program?
